REMARKS

The above newly entered/amended paragraph(s) of the specification overcome some informalities noted in the specification. The undersigned avers that the newly entered/amended paragraph(s) of the specification do not contain any new subject matter.

Newly entered claims 34-66 merely rewrite the subject matter of original claims 1-33 in a more traditional U.S. claim format. The entered amendments are not, in any way, directed at distinguishing the present invention from any known prior art. Please consider the newly entered claims upon consideration of this application.

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,
